### **How To Manifest for Your Brand Worksheet**

Hello and welcome to **How To Manifest for Your Brand**. My name is Chiraya Dharma, and I'll be your guide tonight. **Print out this document** to use as a worksheet and journal to ground what you receive tonight.

1. Why is a branding process important for your business success?

---

---

---

2. What conditioning and beliefs might be countering your business success mindset?

---

---

---

3. Do you feel any resistance to the idea of clearing these old beliefs?  
How attached are you on a scale of 1-10 to your current business beliefs?

---

---

---

4. Which parts of the manifesting process do you feel you already do or don't do?

---

---

---

5. How do you now feel reality creation techniques could help you better manifest your dream business?

---

---

---

6. What action step(s) are you now willing to take to help yourself create the business of your dreams?

---

---

---
